STATEMENT ESTABLISHING THE DILIGENCE OF APPLICANTS

This statement establishes the diligence of the applicants, in the above-subjected application, from the time of their conception, to a time just prior to the date of the reference, up to the filing of this application.

1. I am the sole inventor of all claims of the above-identified patent application.
2. Prior to January 13, 1999, I conceived, in the United States of America, the idea of an "Antenna System for a Wireless Information Device" as described and claimed in my application. A first patent disclosure containing a written description of the invention and drawings was signed by me prior to April 23, 1999 and a second patent disclosure containing

a written description and drawings was signed by me prior to July 13, 1999, and each submitted to the Motorola Patent Committee for review. A copy of the patent disclosures are attached hereto as Exhibits A and B respectively.

3. The disclosures were taken up in reasonably regular order and reviewed by the Motorola Patent Committee on August 24, 1999.

4. Motorola's Boynton Beach, Florida Patent Department began work on the application on or before September 15, 2000 (Exhibit C). The application was taken up in reasonably regular order, and in customary procedure.

5. Between September 5, 2000 and February 6, 2001, I discussed the application with Motorola patent attorneys/agents and reviewed drafts of the application.

6. The application was filed on February 6, 2001.
